

STRAWBERRY SOCIAL

TIME CAPSULE

Since the beginning, The Robert McLaughlin Gallery has been dedicated to serving and connecting with the community.

You've been a crucial part of our history and we want you to be a part of our future, too!

On June 25 at our Strawberry Social - 50th Anniversary Celebration, we'll be sealing this time capsule that will be opened on the occasion of our 100th anniversary. We're looking to fill it with your memories, stories, and anything else that will help commemorate what the gallery is at 50!

If you'd like to submit (and we hope you do!) please drop off your submission at the gallery's front desk leading up to or on the day of the Strawberry Social. In order to keep all the artefact safe, we won't be able to accept perishable items, items with batteries, or other potentially damaging materials!

Feel free to contact Lucas Cabral, Communications + Digital Media Lead, at lcabral@rmg.on.ca with any questions or concerns.
